

PAUL JETT, KINGSPORT, TN (BOARD MEMBER SINCE 2019)

Why is Paul serving on the HNF Board?

Paul was diagnosed with GEP-NETS in September 2017 and openly shares his story and diagnosis with his own patients and the larger community in an effort to spread awareness regarding NETS. Since being treated for his metastatic disease he now better understands what it means to live in the now and enjoys spending time with his family, traveling, reading and exercising.

About Paul Jett, MD

Paul is a board certified physical medicine and rehabilitation physician in Kingsport, Tennessee. His practice focuses on interventional spine management along with non-addictive approaches to pain management. He recently became certified in medical acupuncture.

He is originally from Lexington, Kentucky, and went to college at the University of Kentucky. He graduated from medical school at the University of Louisville in 2001 and completed his residency in Charlotte, North Carolina, at Carolinas Medical Center. Paul later obtained a Master's in Business Administration from the University of Tennessee. He is a devout University of Kentucky fan despite living in enemy territory.
